Title: I-580 TMP / ADVANCED ELEMENTS PROJECT
Project No: 03-06

Project Description:

The work consists, in general, of installing components of a Traffic Operations System (TOS) / Intelligent Transportation System (ITS) along the I-580 corridor from San Ramon Road in Pleasanton to just east of Greenville Road in Livermore, I-680 between Sheridan Road IC and just north of Alcosta, Route 84 between I-680 and I-580, and key local arterial streets. These components of the TOS / ITS (ramp metering, closed circuit television, extinguishable message signs, highway advisory radio, changeable message signs, and microwave vehicle detection) are elements of the Transportation Management Plan (TMP) that will be implemented during the construction of the I-580 eastbound HOV lane. In addition to the equipment to be installed along I-580, the project will also include supporting hardware and software components at participating agencies Traffic Management Centers (TMC) to enable monitoring and control of field equipment, and data and video exchange among agencies. The project also includes minor pavement operation, grading, and minimal striping, and other work as specified in these Special Provisions.

The following are requirements for the Project:

- Bids are required for the entire work.
- The Contractor shall deliver the equipment within 120 ~~Calendar~~ Working Days of the Notice to Proceed (NTP).
- The ACCMA reserves the right to cancel or do not award a contract as a result of this Bid.
- Bids shall be valid for a period of 30 days from the Bid submittal date.
- The Bidder to whom the contract will be awarded must, at the time of award, possess current licenses in the following classification issued by the California State Contractor's License Board:
 - Class A License or C-10 License
 - Bidder's Subcontractors must also be properly licensed.

The successful bidder shall furnish a Labor and Materials Bond and a Faithful Performance Bond.

Prevailing Wages:

Attention is directed to the Federal minimum wage rate requirements included in these specifications, in so far as such requirements apply to this contract. If there is a difference between the minimum wage rates predetermined by the United States Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The Department will not accept lower State wage rates not specifically included in the Federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the Contractor and subcontractors shall pay not less than the Federal minimum wage rate which most closely approximates the duties of the employees in question.

Pursuant to Section 1770 of the Labor Code, the California Director of the Department of Industrial Relations has ascertained the general prevailing rate of per diem wages applicable to the work to be performed, which rates are filed in the office of the Deputy Director, and copies of which are available to any interested parties on request. The Federal Minimum Wage Rates and the Prevailing Wage Rates ONLY apply to the portion of work involving field work only (assistance to the Installation Contractor).

Buy America Requirements:

This project is subject to the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 as amended by the Intermodal Surface Transportation Efficiency Act of 1991.

Retention Substitution:

The Contractor may elect to receive 100% of payments due under the contract from time to time, without retention of any portion of the payment by the ACCMA, by depositing securities of equivalent value with the ACCMA in accordance with the provisions of Section 22300 of the Public Contract Code. All expenses of such substitute deposit shall be borne by the Contractor. Securities eligible for investment under this section shall include those listed in Section 16430 of the California Government Code or certificates of deposit of a bank or savings and loan association. The Contractor shall be the beneficial owner of any securities substituted for moneys withheld and shall receive any interest thereon.
